

Ocean Export Services

Farrow Global Logistics can arrange for pick up and export of ocean freight from any U.S. location and arrange ocean freight movement throughout the world.

HOW OCEAN FREIGHT WORKS

- Shipper contacts Farrow Global Logistics (FGL) to make a booking and completes a SLI (Shipper's Letter of Instruction)
- FGL makes booking with Steamship Line for Full Container Load (FCL) or consolidator for Less than Container Load (LCL)
- Draft copies of House Bill of Lading (HBL) presented to shipper for approval
- FGL arranges for container to be delivered to shipper for FCL, or picks up freight for LCL
- Export documents are provided by shipper
- Container is tendered to terminal for FCL, or freight is delivered to consolidation warehouse for LCL
- Automated Export System (AES) is transmitted
- Container is loaded on vessel and sails
- Final Original Bill of Lading (OBL) is issued
- Pre-alert documents sent to destination agent
- Freight arrives at destination port
- Freight is Customs cleared and delivered to final destination
