

# TradeSmartWeb plus

# Imaging, Reporting and Tracking software for **Canadian Imports**

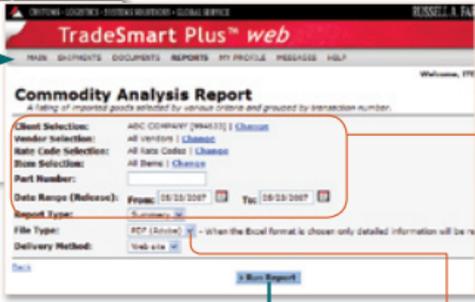

Introducing TradeSmartWeb plus, a secure information portal that provides unparalleled visibility to your Canadian import data. TradeSmartWeb plus also provides you the ability to track Canadian-bound shipments in real-time, run reports on-demand, and access electronic copies of all your shipment related documents.

As you, or for that matter, your supplier, transportation company, or warehouse manager, faxes or emails a document to Farrow, it is immediately affixed to your transaction file, and can be viewed anytime, anywhere!

# Access your Report Centre

Users can access a repository of completed reports

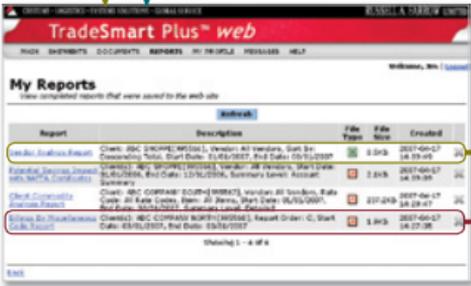

Users can enter run-time parameters prior to report submission.

Reports can be rendered in PDF or Excel format.

If [Web Site] is chosen as the delivery method, the completed report will be delivered to the [My Reports] area.

If [Email] is chosen, the completed report will be delivered as an attachment in an email message.

PDF Report

## Important note for Farrow Clients:

TradeSmartWeb plus currently encompasses Canadian import data. Data for other Farrow services (U.S. import data, Farrow Express, Farrow Logistics, Farrow International or Consulting) is available from other Farrow software solutions.

# Why use TradeSmartWeb plus?

By utilizing TradeSmartWeb plus you benefit in the following ways:

- Search shipments using a wide range of parameters
- Access real-time shipment status and details
- View B3's, Commercial Invoices (CCI), billing invoices, recaps, and other backups associated with each transaction.
- View, research, or output reports on B2's
- Run reports on-demand, and export results to .pdf, .csv or excel format
- View commodity analysis, duty savings/opportunity, vendor analysis.

Most importantly! This offering comes with the same quality service you're accustomed to from Farrow.

## **Special Offer!**

---

TradeSmartWeb plus is so good; we're inviting you to try it free for two months! At the end of that period, let us know whether you'd like to subscribe. We're sure you'll see benefits to your import process that we're thrilled to offer this complimentary offer.

At the end of your free 60 day trial, we'll give you TradeSmartWeb basic (even if you don't subscribe to TradeSmartWeb plus), which allows you to check on your shipments as they flow through the clearance process. Farrow always delivers peace of mind, and TradeSmartWeb plus is no different. Many clients are already enjoying its benefits.

# How can **Farrow help?**

Farrow's expertise draws on over 100 years of experience to accelerate the importation of your goods across borders. When you hire us as your valued broker partner, you gain access to a network of offices across North America and affiliates around the globe, all focused on making sure your shipments are delivered accurately, and on time.
