TradeSmart Web eManifest

What is eManifest?

eManifest is a term used to describe the advance, electronic conveyance of freight information to customs officials prior to a shipment arriving at a border. eManifest (also known as pre-arrival notification) expedites the customs clearance process by allowing pertinent information about shipments to be assessed and approved by customs officials in advance of any shipment's physical arrival.

For more information on eManifest visit: www.farrow.com/eManifest

Alternatively, visit the government's website: www.cbsa.gc.ca

The CBSA's website about eManifest: www.cbsa-asfc.gc.ca/prog/manif/menu-eng.html

eManifest requirements for other modes: www.cbsa-asfc.gc.ca/prog/aci-ipec/menu-eng.html
