

Farrow now offers nine new locations to support **imports and exports to and from Mexico!**

Complete end-to-end supply chain solutions covering all of North America

The recent addition of nine new locations through a strategic alliance gives us broad coverage across the entire southern U.S. border. Features of the expanded service include:

- Extensive industry expertise: 40% of our staff are licensed or carry a professional designation
- A customer-first philosophy that contributes to exceptional customer satisfaction/retention
- Expertise in facilitation of imports into Mexico
- Single-point contact for streamlined day-to-day dealings
- Longevity: we offer a combined 176 years of brokerage experience and knowledge of the southern border.

For information on how Farrow can help you with imports to or from Mexico, please contact your client services representative or visit us online at www.farrow.com/mexico
