*Operador Económico Autorizado (OEA) is Mexico's version of CTPAT Certification. Formerly known as NEEC, OEA was created by Mexican Customs as part of a World Customs Organization (WCO) agreement to establish a custom-to-business partnership program.*

At Farrow, we have experts who possess in-depth knowledge of both U.S. and Mexican regulations, providing guidance and support to help you navigate the customs procedures. Our solutions include U.S. Customs and Border Protection (CBP) and Mexican customs entries (Pedimentos) with high focus on **compliance, consulting, drayage, and duty minimization**. Our Southern Border services fees **remain standard** for all U.S.-Mexico ports, ensuring budget predictability and consistency in pricing, as Southern Border solutions are consolidated into **one comprehensive invoice** to simplify the invoicing process for you.

We are committed to mitigating border delays and supply chain disruptions, and we take this commitment seriously. Our local support and presence on the Southern Border allows us to be responsive to the needs of our customers, given our thorough understanding of the documentation requirements involved in the shipping process.

Partner with Farrow today for uncompromised efficiency and compliance at the U.S. Southern Border, freeing you to concentrate on expanding your business.

Start a confidential, no risk conversation with us today.
