

A woman in a blue long-sleeved shirt and an orange and white high-visibility safety vest is standing in a warehouse. She is holding a tablet in her left hand and a handheld barcode scanner in her right hand, which is pointed towards a shelf of boxes. In the background, another person in a similar vest is working near a yellow pallet jack. The warehouse has high ceilings and numerous shelves filled with cardboard boxes.

Warehousing & Distribution

U.S., Canadian & International logistics management solutions
for your business.

Farrow's strategically placed warehouse locations in Canada and the United States can help meet your constantly changing customer expectations by providing swift and easy access to key border crossings, international airports, and North American consumers. Our warehousing and distribution services can help you reduce complexity and cost, leverage international trade agreements, manage growth, and improve your customer experience with a logistics strategy that is optimized for your business priorities.

Let Farrow's expertise and dedication to service help you to not only fulfill orders, but solidify your company's reputation with every shipment. Whether you need to ship one order per day or thousands, our experts can tailor a solution that fits your plans for business growth.
