

TAKE CONTROL OF YOUR SURTAX MANAGEMENT

Simplify your surtax preparations with Farrow's robust TradeSmart Connect reporting tool.

TRADESMART
CONNECT

In today's unpredictable global trade environment, understanding the impacts of surtaxes on your business is critical. TradeSmart Connect (TSC) provides a reporting tool that allows clients to easily access up-to-date, customized reports to project and manage surtax costs—saving time by defining additional duties upfront.

BENEFITS OF FARROW'S SURTAX REPORTING TOOL

Comprehensive Surtax Reporting

- Eliminate manual cost allocation in your budgeting process and pull detailed reports for Canadian and U.S. retaliatory forecasts
- Historical data available for post activity in-depth analysis
- Access insights into how much surtax you've paid by commodity

Accurate, Up-to-Date Information

- Stay current with the latest Harmonized System (HS) classification codes changes
- Save time researching and allocating fluctuating surtax rates and product classifications

Self-Serve, On-Demand Access

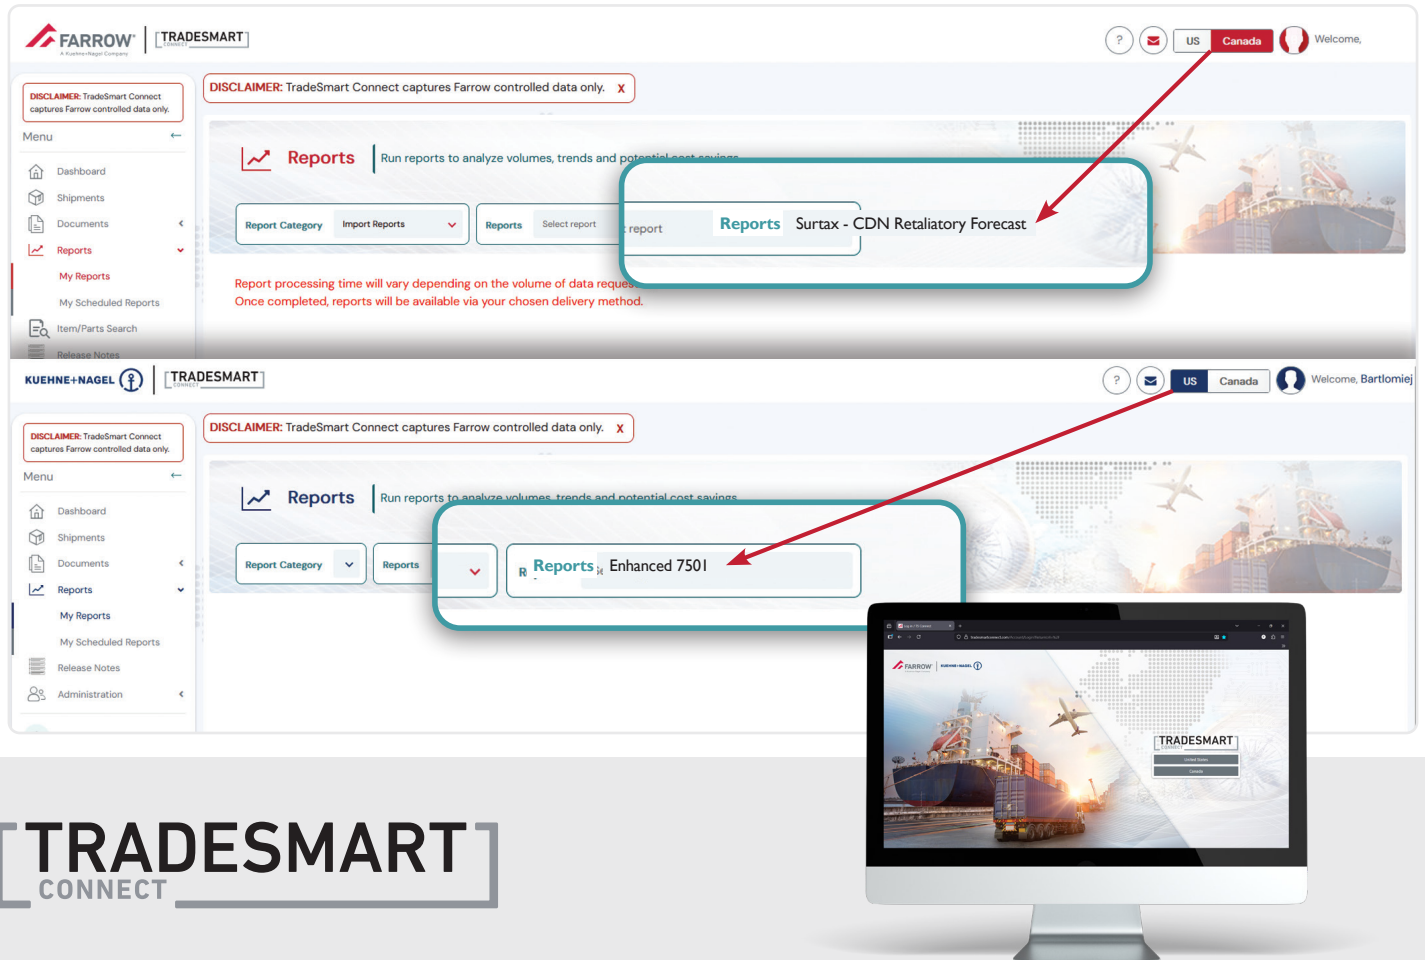

- Clients can run reports themselves at any time
- Easily customizable report dates (start/end)

Budgeting and Cost Projection Support

- A powerful budgeting tool to help estimate product costs with surtax allocation against your import base, where surtax is applicable

Exclusive to Farrow TradeSmart Connect (TSC) Users

- Available within the TSC platform on both Canada and U.S. toggles
